Note by the Huzur Superintendent

I looked into the matter in the course of my inspection of the Chamarajapuram Taluk Accounts and Institutions.

The Taluk Accounts show no deficit balance. It may be that the transfer of Rs. 2500 from the Temple Funds to the P.W. Deposits for repairs was not noted in the Taluk Accounts. Anyhow there is nothing to show that the balance has not been corrected by the Comptroller's Office. If the proposal finally taken may, I think, be accepted. In this connection I may add that the

Comptroller has furnished a statement of balances of ~~cash~~ authorities kept by them only (cash) I should have to submit that upon with a draft order applicable ~~to~~ Accountants Rewards.

Before closing any Savings Bank account it is necessary to see that the money does not consist of Postal funds. In this case the entries subsequent to the date of investment of R 12000 were checked; and it was found that no Postal amount had been received. The amount at the credit of this in the Savings Bank now is R. 1815 and odds. The account may be closed and the money credited to Mag. and Fds. as recommended by the Comptroller.

To make up the deficiency ~~of~~ for purposes of the Value of R 12000 bonds sold. This might also be done as the Comptroller has purposes of the Value of R. 12000 while all that has to be invested was the sum of R. 8240 authorised by the Local Govt a/c order.

The Comptroller proposes that these purposes may be transferred to the Observatory Imprest Fds. In this connection my inspection of the Observatory Imprest Fds. I found that previous orders have been issued by the Board of Agriculture for closing the Savings Bank account of the ~~Observatory~~ Rangoon Rangoon Observatory Imprest. The money in this account consists mostly of Postal Funds; and I do not think that if this fact is communicated to the Board of Agriculture they will withdraw their order to close the account.

...General and Revenue *Department.*

SIR,

With reference to Muzrai Secretary's docket No.4532 dated 16th April '08 regarding the funds of the Sri Apprameyaswami Temple at Malur, Chennapatna Taluk, I have the honor to state as follows:-

On 1st July 1907 the Treasury accounts showed a debit balance of Rs 2,742-4-8 against this institution as will be seen from the statemon submitted with this office letter No.Muz.304 dated 27th June '08 and on 31st January '09 it rose to Rs 3,724-10-10 including the amount of Rs 1,218 placed at the disposal of the Public Works Department for flagging the Chendrasala of the temple as directed by Government.

In the docket under advertence it is stated that the amount of Rs 559-3-0 available in Savings Bank account in favour of the institution as well as the half yearly interest on Pro-Notes would be credited to Tre sury under Muzrai Funds to wipe off the debit balance; but neither of these has been done. The Savings Bank account still remains unclosed an has a balance of Rs 1,680-2-3. It is not right in principle to allow

interest on such investments and it has been several times brought to the notice of Government that the system of opening Savings Bank accounts in favour of institutions under Government Management and meeting the charges from Government Funds is objectionable. The Deputy Commissioner may therefore be strictly instructed to close the Savings Bank account at once. To eliminate the debit balance still left against the institution, I request the sanction of Government to transfer the Pro-Notes to the value of Rs 2,000/- out of Rs 12,000/- held in the name of this temple to the Investment account of the Sri Chamarajeswara temple at Chamarajanagar which has a large ~~audit~~ credit balance available for investment.

I have the honor to be,

Sir,

Your most obedient servant,

J S Chakravarthi

Comptroller.

Has the honour to observe that the instructions, issued by this office to close such of the Savings Bank accounts of the Muzrai Funds as do not relate to Puduvat Funds, have not been attended to as yet. It is also observed that new accounts of the kind are being opened. The information called for as regards the accounts which relate to Puduvat Funds, is not being furnished in spite of reminders issued. As, in the absence of correct information, it is difficult for this office to distinguish between the accounts of Puduvat Funds and those of other Muzrai Funds, this office is compelled to allow the interest of this year on all Muzrai accounts till the information already called for as regards such accounts already opened is furnished.

2. In the case of accounts which will be opened hereafter, it is requested that the Index cards and the monthly journal of deposits should distinctly state in red ink whether they are Puduvat Funds or not and if they are for Puduvat Funds, the name of the donor and the purpose for which invested should invariably be inserted. In the absence of these details, the accounts will be treated as relating to only Muzrai Funds and interest allowed.
